To Whom It May Concern:

We have had the pleasure of dealing with C&G Cabs Clane Co Kildare for over 20 years. During that time they have become a reliable and valued partner for Toyota Material Handling Ireland, with regard to design, manufacture, supply and fitting of cabs and for other equipment for our Toyota Forklifts.

We have no hesitation in recommending C&G Cabs

Yours sincerely,

Terry O'Reilly
Managing Director
Toyota Material Handling Ireland
